

**WE NEED YOUR HELP**

---

# **ChemTalk Chemistry Education & Outreach Nonprofit**

---

## **ABOUT CHEMTALK**

**We are a 501(c)(3) IRS-approved non-profit based in Camarillo, CA. We focus on making chemistry fun & easy to learn for middle/high school and college students, creating resources for teachers, and creating experiment videos.**

**We aim to inspire and help improve the public perception of chemistry. In just one year, our ad-free website has grown from zero to over 185,000 visitors a month, and social media has received over a million views.**

**Assisting ChemTalk is a great way to participate in chemistry outreach and give back!**

# Positions available

---

## Advisory Board (remote)

- Join our advisor board! We meet 6 times a year, and members assist with networking, fundraising, recruitment and general advice.

## Reviewing Articles (remote)

- We wish to enlist faculty and their grad students for a divide and conquer approach to reviewing our trove of articles and tutorials.

## Article writing (remote)

- Write articles / tutorials on topics such as high school / college / organic chemistry, biochem, the elements / periodic table, lab equipment / safety / technique, history of chemistry, future of chemistry, and careers.

## Experiment filming / editing (remote)

- Assist us remotely with editing experiments and demonstrations videos. Videos can also be filmed if you have access to a lab.

## ChemTalk Lab LiveStreaming (Camarillo, CA)

- Assist us in all aspects of our program to live stream amazing chemistry and science across the planet interactively. A once in a lifetime opportunity! Learn about the LiveLab here:

<https://chemistrytalk.org/chemtalk-livelab/>

Other internships for social media, marketing and outreach are available.
